“ Joey, Julie, Josh. I am so sorry. Rick was a wonderful man. I can remember him calling me Thunder thighs and singing a little tune in my childhood days. Basketball at smith mills school and blue berry muffins every Sunday morning. I loved spending the weekends at your home. Rick and your family have left some great lasting childhood memories for me. Blessings and love to you all.

“ I wanted to say how sorry i am for loss. I was so shocked to see his obituary in the paper. I had talked with Rick sometime last week . He was going into Walmart at that time. We where in the class of 1965 . I was also in one of his classes to carry a gun. I liked Rick a lot, he was a likeable guy. May the Lord comfort you and the family at this time of season.
