“ My friend, my daughter, will miss u, but I watched u slip into Glory. So happy for u. I told u before u left, u better give dedaw a hug and kiss from me. I use to tell u don't call me mommy in public because people would think I gave birth at 12 yrs old, but now I wish I had of just stood proud. Such a good daughter and friend. Will always be there for those kids like I was with u! I love you baby!
