“ *John, Tony & Derek,*

I was so saddened to hear of your Dad's passing. Other than your Mom's passing, I am sure it is one of the hardest things you all have had to go through. But you know what? I bet Bob and Jane are looking down upon you guys, just smiling and saying--"We didn't do too bad, did we?....." And then of course, continuing with wise-cracks..... I ALWAYS enjoyed their company--what fun.

Remember the good times, forget the bad and sad--the memories are yours forever.

I still love you guys and have missed you!
