“ *Bobby was a great man. He took care of his loved ones, even the not related ones. He was the first one to ever give me the nickname of littlebit. Whenever I hear the word I will always think of Bobby. To Butch and Rosie, I am very sorry for your loss. Please know that Mark and I will always remember him with love and happiness for all he gave to our family. All three of our kids remember him and will think of him with fondness.*
