“ *Bubby and Misty and the entire King Family, I am so sorry to hear of Rosa Lee's passing. I know you all will miss her so much. She became a mentor and advisor to me when we worked at CPS and i always valued her wisdom and advice. I had not seen her since our CPS days but thought of her many times. She is with the Lord now and what a wonderful thing that is. I can see that big smile of hers now. I hope you all are doing well and I know the Lord will get you all thru this hard time. Thinking of you, Analois*

“ *Tammy and Taylor, I am so sorry to hear of your Mother's passing. It's a great loss to loose a parent. I dream a lot about my Mom and Dad and I find comfort in that because most times we are still little and living on the farm. Take care my friend and if you need anything just let me know.*

“ Today one of the finest ladies I ever have known was called to heaven Rosa Lee Ritchie King. I know that this is going to be hard for your family. Rose was awesome she was like a mother to so many & a godmother to my first-born Brandy Nichole. She was the coolest person with a smile or a joke to make u laugh not to mention a jack of all trades. She was a great co-worker of mine who made sure that I was taken under the wing of others to be able to learn my job. She was a counselor to many of us she was inspirational & loving she was an asset to Smith Mills for those of u who didn't know this lady u missed the opportunity to meet a wonderful person. The Lord knew u were tired Rose so he placed u in his loving care & took u home say hello to everybody in heaven I know u loved the Lord & thanks for loving others the way Christians should & most of all for loving me... Prayers , love and deepest sympathy for ur family help them find peace.
