*I feel so blessed to have gotten the privilege to have meet and as well babysit this beautiful little boy. The was very active lil fella, and loved to eat. We loved Rowan like family. We looked forward to seeing him every morning, especially my 4 yr old grandson Deidrick, that was his lil buddy. I had my own nickname for him, I called him Rollie Pollie. I LOVE his sweet smile, that lil laugh of his and sweet sweet kisses, he would out of the blue while I was holding him just lean over and bump his lips against mine. He is such a loveable and funny lil dude, One day I had music playing and he started jammin, next thing I know he looks like he was moonwalking down the hallway. We loved our time with Rowan and I thank GOD for the time we had with him. I will miss him so much. I LOVE YOU lil Roolie Poolie. RIH my lil ANGEL boy... To the Burrus and Petrie families I will continue to pray for your families, My GOD give you strength in the loss of your precious Rowan... GOD BLESS....*

“ *I didn't know little Rowan for long but the time that I did spend with him at my mother's, I enjoyed every minute of. I made special trips to see him. He definitely was the highlight of my day many mornings after working long hours. It didn't take much to fall in love with him...gorgeous little face with the cutest smile and dimples and a personality that would keep you laughing and on your toes. I know that he touched many in his short time here and I am thankful that I was able to know him. Sending my deepest condolences and highest prayers to the Burrus and Petrie family asking for strength, comfort, and understanding during this difficult time. Be blessed.*
