“ Roy was my buddy, I would go over to his and Brenda's apartment every day to check on them especially when he started to get sick, he would call me on his phone and tell me to come over and check on him in the middle of the night, and just chit chat, I am so thankful that I had a buddy like Roy, I am so sad that he is gone, it breaks my heart, but you know one of these days I will see Roy again up in Heaven, because I feel in my heart that he ask God to help him and to come into his life, but at the end Brenda, Gary and I we all stood beside him and we never left him we always kept on coming into the bedroom talking to him and singing to him and I know he was hearing us. I love you buddy and I know you always told me that you loved me to, Rest in Peace, Roy until we meet again.
