“ I worked with Sarah at dollar general and she was so funny and great to be around. We actually became very good friends and quit that job at the same time. You will be missed pretty girl! ❤️ The picture I attached was when I dragged her out to a football game after she had a rough day.

“ I remember spending every summer day as a teen with Sarah and Brittni. We would go swimming, play manhunt, go to youth group, or just hang out around her house. Sarah was always such a fun, loving person and a great friend. We lost touch after she moved from Pennsylvania but I will never forget those memories and all the fun we had. Sending all my love to your family. Rest In Peace Sarah, you will be so missed.
