“ I am honored to have met Mrs. Thompson during late summer visit to our Holy Name Giving Garden per sweet daughter, Laura. Truly I wish I could have met her sooner as instantly I knew there was something very special in her. It's wonderful that she was able to enjoy the fruits of our garden with Laura sharing fresh vegetables with her mother and with many others. Vegetables grown with labor of love in church volunteers and Laura. Laura's mom lives on through her beautiful family and cherished memories. When Mrs. Thompson was recently taken to hospital, our parish priest, Fr. Richard had been to visit her and told me of how he knew that I would have loved getting to know her. Obviously, he too instantly recognized her as a very special woman upon their meeting. May she rest in eternal peace. Beth Crafton
