“ Dorothy, Carson & Family

I don't believe I ever was able to meet Stacy, but I know I looked at many pictures of your family. I know that you are so very proud of all of them. Stacy was blessed to have you as her parents. You brought her through so many challenges and were so dedicated to her well-being. I know each extra day you spent with her was such a blessing to all of you. I'm sorry I didn't know of her passing until today. Please accept my deepest sympathy.

“ Dorothy and Carson,

Our hearts go out to you both; we know how hard this is even though Stacy is in a much better place with no more pain or worries.

Please know you will be in our thoughts and prayers and Mom and Daddy are 'in your back yard' if you need them.

My heart aches for all of you during this difficult time. I will always remember Stacey as a shining star. Someone who endured so many challenges during her life, but was a fighter to the end. Because you all have been so loving and compassionate, this loss is full of heartaches. Your family and friends will give you comfort and hopefully our prayers will help you at this time of loss. My deepest sympathy.

“ My heart is empty.....
My heart aches for Aunt Dot, Uncle Carson, Cathy, Courtney and Tommy.
I have soo many happy memories that helps with the pain. Espically how much Stacy loved Kappy, Korey and Kali and always showed them in her special ways. Korey was always going with her to run errands and one night he decided it was a date and put on his suit to surprise her. He use to say "Stacy"s rexy!" (of couse he meant s e x y, but he wasn't allowed to use that word). But it sure made Stacy smile!
I love you so much Stacy and am so thankful for the special closeness we have.

“ I love the picture you chose to place here, of Stacy. Good memories of trips to St. Jude to keep her company, of "cruising" North Park Shopping Center in her Chevette, checking out the boys. Her turtle collection, the tandem... and oodles more, but now I'm crying & can't type anymore.... I sure loved Stacy & will remember her for her tremendous courage & the many battles she won! She will be missed by so many!! Love you, Stacy!

“ I have known Stacy for a long time. My wife has only met her 4-5 times. Stacy was a funny, loving person with a great spirit. I was hoping that the Lord would leave her on earth for a longer time. I know that she has been through a lot of suffering. We pray that the Lord takes care of her and comforts her in heaven. We all love you and will miss you Stacy. God Bless.
