“ I also have many memories of growing up in Cooper Park with Steve and the rest of the gang. Then later memories of Steve as custodian at my kids elementary school. Who remembers Stevie Claus? Like many of you , I hadn't seen him in years. Until a few weeks ago when I had the opportunity to talk with him for an hour or so. People say you can't go back, but it was like those years in between didn't exist. We talked and carried on like the friends we always were. I will forever be grateful for that. RIP Steve.

“ One of my favorite memories of Steve was when we all went to the zoo and a Mother Goose was going to attack you kids and he run up real fast and scared her away.

“ I'm so sorry to hear this. I pray that God gives his family the strength and comfort they need. I haven't seen Steve in years, but he, David and Dennis are all part of my wonderful childhood memories of growing up in Cooper Park. Playing baseball or having dirt clod fights in the field, walking to and from Middle School, the trouble we got into, the hell we raised, ohhh I'm sure we gave our parents plenty of gray hairs, sorry Sharron but we had a blast. Rest in Peace Steve.
