“ I worked with Tara at Deaconess a few years ago and had several conversations with her because we were both from Henderson and knew many of the same people. She was a sweetheart who often talked lovingly about her whole family. I remember one specific conversation at work when she talked about her closeness to her mother and then not long after that she introduced me to her mom when they were together shopping. My prayers are with the whole family in this loss.

“ I was honored to have met Miss Tara. Proud to know her as my niece. She exuded such sweetness and kindness, I wish I had gotten closer. Loving this young lady was easy and a joy. I am glad I at least got to bake pies at her request. Saddened by this tremendous loss. Miss Tara you will be greatly missed.....
