“ Terry was an extremely friendly man. He laughed hard, had a quick wit and a caring heart. However, the thing I will remember is the pride he had in his children. He was a good father and a caring friend.

Please accept my condolences on your loss. I met Terry (and Keith) when I worked for Kentucky Utilities. He kindly remembered my grandmother as his teacher at Hebbardsville and often mentioned her to me. That made him extra special to me, as well as his and Keith’s patience in teaching me about their work. May he rest in peace.
