“ I was a classmate of Teddy from the time we were in the sixth grade at Spottsville all the way through to our graduation in 1954. We were the last class to graduate high school at Spottsville and I give Teddy the credit for helping to keep me out of trouble so that I could graduate. We all need friends and Teddy was always there for me. With the scramble we call life Teddy and I did not make contact for several years but when we reconnected it was then that I realized what a great guy he was and what a wonderful friend he had always been for me. Rest in Peace My Good Friend! Bob Davis

Ted worked with my Dad for many years on the railroad. He always was a great loyal friend to both my Dad and myself. When I happen to run into Ted at Wal-Mart he would always say to me, "how's Buddy doing, he staying out of trouble." Ted will be greatly missed. Much love and prayers to the family. I lost my Dad in November 2015 so I understand the heartache you are feeling. Sincerely, Kathy Groves Buddy Gish' daughter.
