“ *Mom i miss you so much wish you was here to see your granddaughter. I still think on the times that we had before you died, i just wish you didnt have to go, sometimes i sit and wonder why it couldnt have been me instead. But i know that you are here with me everyday and you are looking over JayLynn (granddaughter) and watching her. Sometimes i can smell the perfume you used to always wear and thats when i know you are there. I know you would be so proud of me mom you always have been. And i know you would love my fiancee Brittany Rose Moody. You two would get along really great i promise you. Just sometimes mom i sit back and wish that you was here with me and you didnt have to go.If its anything that i could bring back into this world mom it would be you. Your always in my heart mom and i miss you so much. I LOVE YOU MOM.*
