“ *Bubba. Where to start with our memories together. My First and Favorite Memory of you is . The Day You were born. You're mama put you in my arms. I knew then that you was my baby brother and I loved you so much. And Always will. I remember ALL of the Johnson and Johnson baby aspirins and the Flintstone vitamins WE ate like they were candy. Lol. Guess I can let this one out of the Bag now. At the ballpark in the Big Tractor tire. When you're dad caught us smoking cigarettes. Smoke was rolling out both sides of the Big tire . Like it was on fire. So was BOTH OF OUR BUTTS. lol. Bubba. Seriously now. I watched you come into this World and I watched you go out. I don't know how to let my baby brother go. I feel like a Big part of me is gone. I've been setting at the River Front . Listening to the 70's and 80's . Thinking about our life together. I miss you so very much. I'll keep you in my Heart Always. I love you my baby brother.*

“ Bubba I will never forget every moment we have spent together from growing up and getting into trouble with grandma for fighting and me breaking her new mop over your head. I have to laugh every time I think about it. I miss you so much not a day will go by that I won't miss you more .I wish I could wake up and hear your voice saying I'm still here. Im so proud of you and know that you are in heaven I cant wait until we are together again every time I hear the song jealous of an angel I think of you ! Love you always my sweet Bubba.
