“ *I am so sorry to learn of Tommy's passing. Tommy was very kind to me during a very difficult time in my life when I was alone and pregnant - and his friendship meant so much to me. Tommy was a character and a lot of fun, but he had a sweet side that I will always remember fondly.*

“ *My heart breaks for Dave, Lucille, Debbie, Danny and all of Tom's family and friends.*

*As I listened to the minister talking about Tom's life, I was sad because I didn't get to be a part of it. It sounds as though we had many things in common, and I think we could have been friends. I have no memories to share, as we were pretty young the last time I saw him. He was my cousin, though, and I love him and cherish his life.*

*Tom has reminded me just how much I've missed over the years as I've lost contact with my family, and he has renewed my desire to make up for that.*

*With all my love to my family,  
Lindseye*
