“ Tommy was a special part of our family's life - friends with all three of us kids (Staci, Kelly and Brent). He convinced me a black diamond was the same as a bunny slope skiing - and then taught me how to "ski pretty" on the way down. He played tennis with all of us. One doubles match with my brother, Brent, they lost horribly. They both left the courts with their shirts pulled over their heads - undoubtedly Tommy's idea, and had the stands laughing with them. So many stories started with "remember when Tommy Todd..."

He held a special place in our hearts and memories and will be dearly missed.

“ I came to know a man who knew his Savior and now walks with Him. This I know in my heart. A kind and gentle free spirit that loved his family and having a good time anywhere we went. His smile brightened any room and your heart at the same time. Thanks for the many memories...that no other can replace.
