“ *Sorry I could not make it to the funeral. Uncle Tommy was by far my favorite uncle and my children's also (the older two who remember him). I loved coming to visit you guys.....Uncle Tommy made the best breakfasts in the world.....and the last time we came he grilled burgers outside for us. Remember playing ball in the yard on Powell Street, then going down the alley to DQ to get ice cream sandwiches....also the HUGE house on Green Street. I remember spending the night there and I think I slept with Gail and we laughed most all night long.*

Loved even more when you guys came to MO to visit us -- going to the park, walking in the little creek and loved hearing all three of you girls sing together.

*Blessings and prayers.
Much Love,
Sheila*

“ My heartfelt prayers and grief are with you all in the passing of this wonderful man. May God grant you peace in this difficult time and joy, much joy, as you recall his good life and love for each and every one of you. One of my many fond memories of him is the many times he stated, "I'm a helluva man!"; and he was.

Peace, love and joy.
