“ *I worked for Tom for 13 years and during that time I never saw him get mad, I mean really mad, even though at times I probably gave him reason to be. He was a great example to me of how a supervisor should be, calm, collected and never get excited no matter how bad things get. I'll always remember Tom standing outside the offices on the shop floor with his coffee checking everything out. You're one of the "good guys" Tom and you will be sorely missed. My sympathies go out to the family, we all thought the world of Tom.*

“ *I worked with tom years ago..when tom retired,i ask one of his co workers if tom was a good boss...he thought for a moment and said the only thing he could say was that tom was fair and honest..what a compliment to give to a man, for me that has to be the most highest honor that anyone could say about one man...tom you will be missed by alot of friends and family..but god is also fair and honest. My deepest prayers for the whole. Family...God bless*
