I am so very sorry about the loss of such a fine lady and awesome neighbor ! She embraced us early on and helped me thru my storm when my grandmother was at her end of life ! Tracy prayed with us and for my granny! She told me that there was a beautiful place on the other side and eventually all who believed would get there ! Her faith was unwavering ! She stood strong in her belief ! I know she is with Jesus doing all the things she loved , in a brand new healed body! I pray for her parents , siblings , family , friends , co-workers and all who knew her ! That lovely smile and personality will truly be missed ! I will remember her love for animals and let that inspire me to look after the strays and the ones who are forgotten ! Rest In Peace ! You earned it !
