“ Dear Connie. This is Jeanne Wright, Jesse and Oval Wright's daughter. Do you remember me? I learned that your mom passed away some time back but since I don't take the newspapers, this is the first time I read the Obit. I believe your dad also passed away. I am certainly sorry that I didn't know or I would have come to the showing/service.

I remember so far back your parents... maybe about the age of 8 or 9. I am 72 myself now. My father worked for your grandpa, Burnie Sr. He was close to your dad and Henry and Bill Thomas. ALL of our families were close over the years as I grew. It was only after my generation graduated and started families that it seemed times changed and families didn't see each other as much. My mom loved your mom and kept in touch by phone and mail. She passed away after a long bout with Alzheimers in March of 2011 at the age of 92. I took care of her for about 10 yrs and especially her last 3 yrs on a 24/7 basis. She really didn't know me or the kids/grandkids that last year. What I remember most, I guess, were the years when we (mom and I) would go to the September (Labor Day) Reunions and would spend time with family members. You know I think it started in the mid 80s and we attended most all of them every year. Gradually however, the older generation grew smaller and smaller and I didn't know many of the younger ones that would come. But I remember you and your brother Michael. I had a son Michael, who is 45 now., and two daughters. They came for a few years and gradually grew into their 20s and stopped coming. Well, I just wanted to tell you that I miss so many of those that are gone and I went to the one this past September 2015. I only knew five or six folks: Gene and Barbara Gentry, Jackie Dean McHatton and Charlotte Newman Smith. We talked about the ole days; that's what many of us have now a days, isn't it. If you'd like to reach me, my telephone no. is 812-259-1459. I live in Washington IN with my son. I am a widow and have been since 2011 and then again in 2013. My official name is Gloria Jean (Jeanne to the family) Wright Blair and I don't know your last name or address/phone. Since my brother passed away as a child, I am the only member of my immediate family still living. Like I said I have 3 children and 10 grandchildren but only see my

*son's kiddos regularly. I hope you get this; I know you aren't expecting to hear from me, but I just saw your mom's photo in the Obit. posted on Benton Glunt site. She looked so pretty in the red jacket. I trust you have Merry Christmas and a Happy New Year 2016, Connie. Best wishes to you and yours!*
