Mom if u can see this in less then 2 months it will be exactly 12 months since you've left.. I look at it as you being on a very long vacation where i cant see you right now... I promise i am doing my best to make you proud i really am.. I miss our late nights together... weather it be watching country music at St.Anthony's or jut us not being able to sleep so we would sit and play dice or cards.. I miss you being here for my birthdays.. You wont be here for my Graduation in 2 years but I know you will watch me walk across that stage at South Middle... I miss going to your house for days at a time and not coming back unless i had an appointment.. I miss u being here to cheer me up when i'm down .. I miss u being here to wipe the tears away..I miss you being here to tell Daniel when to step down and leave me alone.. I miss celebrating not just mine but your birthdays as well... I miss celebrating Christmas's, Thanksgiving's, and Easter's with you... You aren't here to see our cousin Tammy raise her almost 2 year old Beautiful daughter Allison who i'm happy you got to meet and her almost 8 month old son Jaimie who is so cute and can light up a room sadly you weren't here to meet him but maybe someday you will in the far future... On the bright side you can take that trip to Georgia and your trip to Mississippi that you never got to take..by the way this is your oldest.. I'll be 16 this year and i'm already ready to take my test for my permit... I'm also working on getting a job.. These last 10 months and 15 days have been the hardest for me.. I miss u every moment of everyday.. Mom i'm determined to walk across that stage and get my diploma just to make you proud of me and to know I've made you proud.. I promised you i would graduate even if that meant using every bone in my body to do so.. I Love and Miss You So Much Tell Nana I said Hi!

AB hey mom this is your second oldest Adrianna I want you to how upset I am to miss you. I was only 7 when you walked out the door and I never saw you again I miss you. you will never get to see me graduate well except when I was in 2nd grade. I am so ,so sad because you are still my favorite person in the world. I hope you know that Austin your youngest has a whole lot of imagination for an 8 year old. I hope you know dad is back in jail. he was really hut when you died. Alicia is back to her stuff again I also hope you know Isabella is still missing for exactly 22 months and 15 days. I want you to know every second you have been gone has been hard for me. I've ran away from Alicia's a total of 12 times. I have shut down completely. I have completely have blocked dad out. I have also totally hurt Austin and Jeffery not in a bad way but in a okay way.
