“ *Nell was a very special lady to me, as was Bernice. I went to church with this family for many years and have some good memories of all of them. There's nothing closer than a church family and friendships last many, many years. I've been so glad for Facebook, where I can reunite with friends I don't get to see very often!! I'm so sorry for the family, Nell has had a hard time for many years and the nature of her illness has been heartbreaking for the family to watch. Nell was a good Christian woman, and in that we take comfort!! Love all of you!!*
