

Virginia Frances Gunn

April 14, 1914 - August 17, 2014

Virginia Frances Gunn, age 100, of Henderson, KY, passed away at 9:30 AM, Sunday, August 17, 2014, at under the care of St. Anthony's Hospice Lucy Smith King Care Center.

To have lived to be 100 years old, Virginia Gunn, saw many wonders and changes. She was always known as a very hard worker and an independent lady. Virginia grew up in the Providence/Henderson area with her parents and nine siblings on the family farm. In 1932, she borrowed \$5 from her sister, put all of her belongings in a hatbox, and left home to fulfill her dream of moving to Michigan. While living there she married and later welcomed her son, Kenneth Ray, who was born 3 days before the attack on Pearl Harbor. Virginia went to work for Continental Motors. During WWII, she worked for Kaiser-Frazer Corporation and later RCA. Virginia retired from Bendix Corporation now known as Honeywell Corporation. Her work responsibilities included everything from auto manufacturing to wiring top secret electrical components. She moved back to Henderson, to be with family members and to care for her mother. Virginia was very creative and an excellent seamstress. Gardening and making homemade silk flower arrangements were some of her favorite hobbies. Virginia was a wonderful cook. She was always busy and was never idle. Virginia was a delightful person, who everyone enjoyed visiting. She brought her son closer to Jesus than Kenneth could have brought himself.
