“ *Vivian and I were cousins. Our age differences gave us the opportunity to be more like sisters. I only had brothers, so I welcomed her attention, sought it even. She took me under her wing at family gatherings. I have very dear and fond memories of Vivian.*

Vivian was always kind, gracious, and helpful just like her Mama. I always enjoyed visiting with her at Guffey Family reunions. She loved her family deeply.

Vivian was like a big sister to me when we were growing up, being around her when our families got together. Wonderful memories!
