Dear Charla,

I have just learned of Wally's passing. I am so sorry for the loss you must be feeling. Memories of our fun times together are still with me - the music, the boating, the Smokey Mtns. vacation. And I'll never forget how much it meant when you and Wally went out of your way to give your comfort to me when Neil passed unexpectedly.

My family still uses your lemon pie recipe!! It has always been my favorite. Please let me know how you are doing.

In sympathy and friendship,

Betsy
