“ *Laura, I will never forget Walt. He was great to work with. I could go to him and ask how to gather information on computer to make my work easier and he was always willing to help me. Our cruise we all took together was fantastic. John had only been gone for a few months when you all encouraged me to go. I encourage you to go ahead with all your plans. I know Walt would want you to. May God give you comfort and peace. Diana Mays Golday*
