“ Dee never ate much, but her mother was always trying to tempt her. One day during my visit her mother made her the most beautiful piece of French Toast I had ever seen. As soon as her mom left the room, she said she wasn't eating it. I said give it to me. I gobbled it up. Her mother was thrilled thinking Dee ate that French Toast! She never knew I ate it. RIP beautiful friend. No one will ever think I'm as special as you did. I will always miss you.
