“ *Aunt Wanda was the best cook. I so wish I could taste her hot peach cobbler, with juicy, ripe peaches from the farm, just one more time! I always remember what a wonderful wife she was to Uncle Sam. They just seemed so perfectly fit for each other. It was easy to see he adored her. For good reason because she was kind and tender hearted. I never heard her raise her voice. Uncle Sam use to brag on her riding their Tennessee Walkers. He was proud of that time together. I look forward to seeing her once again in heaven.*

“ *Wanda was always working in the yard tending her many flowers and shrubs. We could of not have ask for a better neighbor. She will be missed.*

“ *Aunt Wanda always had a tender smile, gracious touch and loving words towards me. I never saw her being judgemental. I never saw her crossways. She was a great example of a supporter of her husband and children.*

A real class act was she. I love her and look forward to seeing her at the Return of Christ.

“ DALE and family, I remember meeting your mom when mom sold our camper to your mom and dad. I'm so thankful for meeting your parents they were a beautiful couple. Years past then I met your mom at First Baptist and I met you at the towers where you worked. Dale you have my thoughts and prayers. Awesome to have met your parents and you! Thankful the memories we make God places people in our life for a reason.
