

William Rudell "Rudy" Belcher Jr.

February 24, 1957 - January 24, 2022

Rudy Belcher age 64, born in Paducah, KY., raised in "God's County" Smithland, KY., residing in Henderson, KY.; traveled from this life to his heavenly home on January 24, 2022 after a short battle with Brain Cancer while at home surrounded by family. As with Rudy's famous Facebook posts, "We Travel We Eat"; we are sure that Rudy is seated at heaven's banquet table right now with his mother and father, Rudell and Jean Belcher, his cousins Timmy, Joe and Pat Thomason, and his grandparents/aunts and uncles.

A member of the Community Baptist Church, he loved God with all his being and spent his life showing that love to others. Rudy helped with many churches in the Henderson area as their media/sound specialist, fellowship cook, fundraising chairman (many people will miss his Kettle Corn or Rudy sandwiches), van driver and assistant to the music/youth and children's workers.

A computer technician Rudy graduated from U.K. Technical College and began his career as a bench tech with Texas Instruments in Houston, Texas; retiring as a computer service regional manager for the Tristate area with Hewlett Packard.

As a loving husband, father, brother and grandparent Rudy's support, time, good humor and love was never ending.

Rudy leaves behind his loving wife of 45 years, Felicia Belcher; their two children Kris Belcher Mayes (John), Megan Belcher; brother Kent Belcher

(Tina), nephew, David Belcher; grandchildren, Mitchell and Lacy Mayes; and many cousins. We will truly miss this "Diamond in the rough" of a man! Relatives and friends are invited to Rudy's Life Celebration from 1:00 p.m. until the service time on Sunday at the Community Baptist Church 1026 Pebble Creek Drive, Henderson, KY. The service will be held at 2:00 p.m. on Sunday, January 30th at the church with Reverend Dr. Tim Hobbs officiating.

“ I had the pleasure of working at HP with Rudy for many years. I always looked forward to seeing Rudy when I visited Evansville or when he visited Indianapolis. Rudy had an engaging smile and a personality to match. One could tell that he was a Christian by the way that he cared for his customers and his fellow co-workers. Praying for God's comfort and peace for his family and friends as we mourn Rudy's passing and celebrate a life well lived.

“ Rudy served in every capacity at Hend. G.B. Church. He never said No to any time the church needed someone to step up and serve from driving the van, technical support, to kitchen cook and clean-up man. He was always a witness, great father, and helper to anyone. Just this last year when I needed surgery at Gateway, he drove me there, stayed and came and got me 5 days later. He always brought Kettle Corn to us and we missed him so this last year when he could not come any more. He and Felicia served always doing God's will. Heaven has received God's servant this week and all saints are rejoicing. Our loss is big but we will see him again. He served at Community Baptist at his time of death in same capacities. we attended there for a time and was glad to see him always smiling and doing God's work. No more suffering now, home, safe, cured at last. To God be the Glory. Pat McKinney, friend
