“ *Irene was one of the sweetest and nicest people I ever met at Firestone-Accuride! I think she really cared for us more like a mother figure and saw nothing but the best in us! When I stated I was 19 years old and and we were like a big family! She had been there longer than me and was always on days, while I spent several years on 3rd shift! But every morning she would be there early with that big smile! Hope she's reunited with her family and smiles down on us.* 🙏
